problems
Closing down of HEMCO

Problematic transfer of competencies (NCMA SA + Ministry of Environment)

No national SDI policy

Letting FCPs die
why?
No political support + wider

bottlenecks in the regulatory process
(Cabinet’s decision to implement policy)

No infrastructure in place to support FCPs

Lack of socio-material and political conditions
prospects
Amend L. 3882/2010

Implement Existing Provisions
(intervention of the Public Administration Inspector?)

Open Data Law (transposition of 2013/37/EU)

* Strengthen existing FPC network and infrastructures and commitments (e.g. OGP)
* Focused Interventions (e.g. Regional Government)
