

Challenge 2

Reuse existing tools and solution

Karel Charvat

Technology and Data

- SensLog Michal Kepka <https://github.com/mkepka/senslog/wiki>
- HSlayers NG Raitis Berzins <https://github.com/hslayers/hslayers-ng>
- Mobile Hslayers Simon Leitgeb <https://github.com/hslayers/cordova>
- Open Land Use Dmitrij Kozuch, Martin Tuchyna, Tomas Mildorf
<http://sdi4apps.eu/project-information/pilot-applications/pilot-4-open-land-use-map-through-vgi/>
- Smart Point of Interest Raitis Berzins <http://sdi4apps.eu/spoi/>
- Open Transport Map Dmitrij Kozuch <http://opentransportmap.info/>

Hackathon focus

- Maps as VGI Runar will introduce remotely
- SensLog and HSlayers NG as VGI tools way how to standardize and access VGI Raitis
- VGI for Farmers Tomas Reznik
