

# Environmental reporting via INSPIRE download services

## To harvest or not to harvest?

Christian Ansorge, Jose Rubio

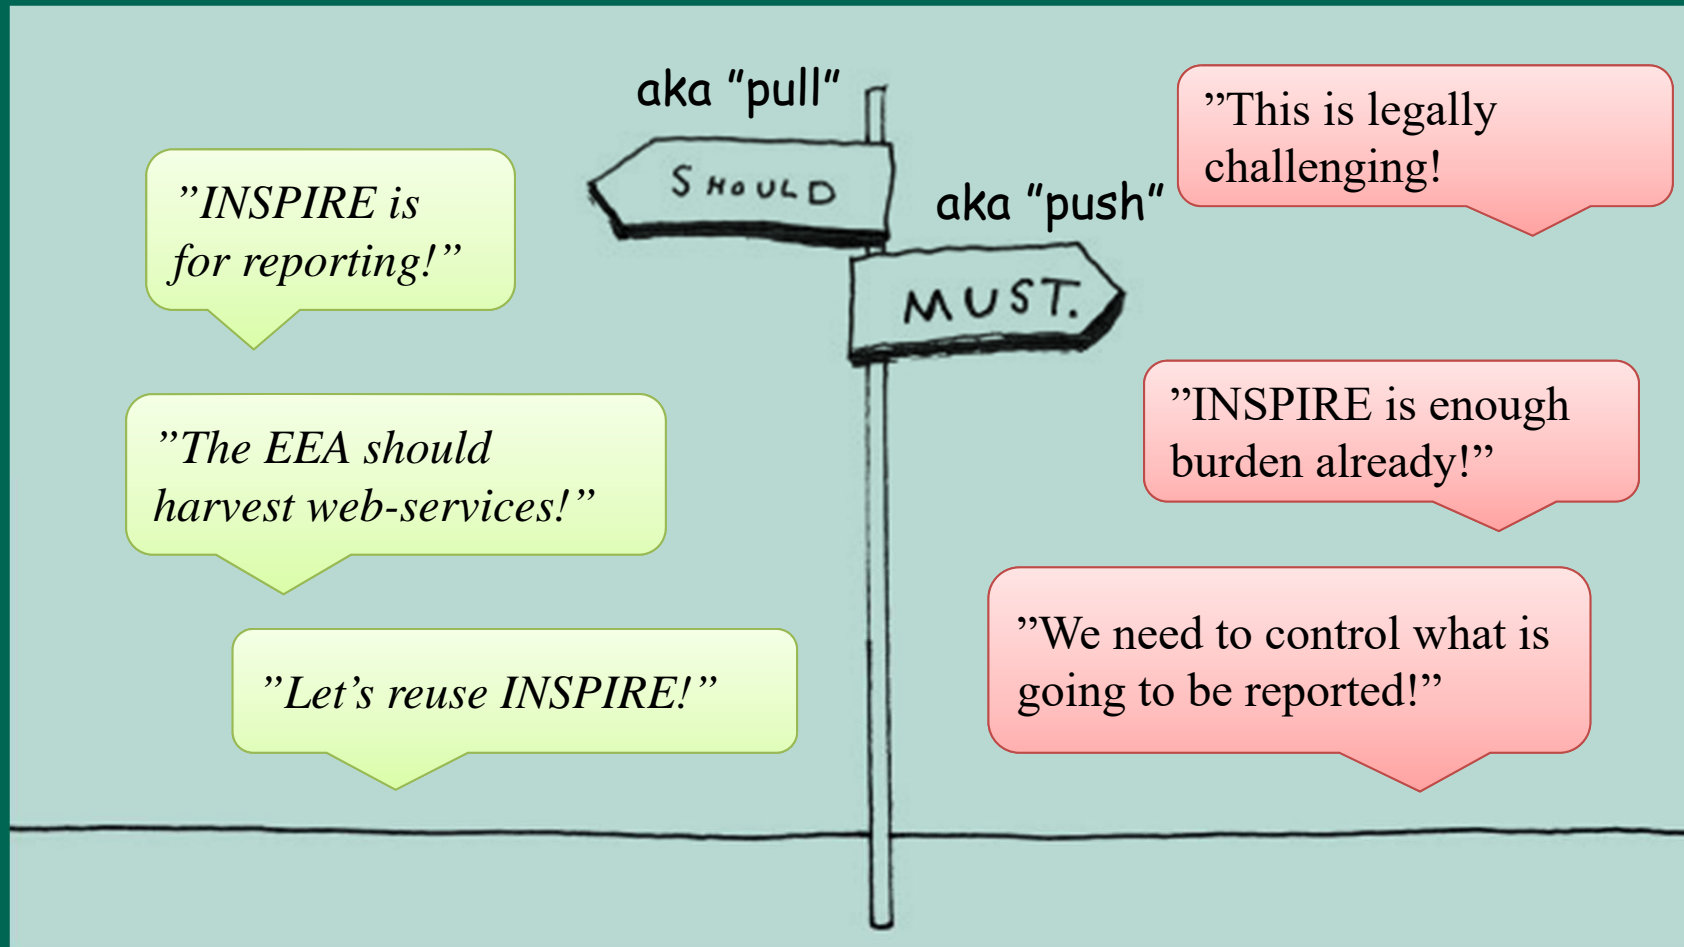

# Environmental reporting via INSPIRE download

Scope of presentation, discussion and beyond ..

- Discuss the legal and technical environment
- Identify different aspects of download service based reporting
- Frame a business case

# Environmental reporting via INSPIRE download

## Starting point

# Environmental reporting via INSPIRE download

Yes . . .

INSPIRE demands web-services  
and they should be there!

. . . but !

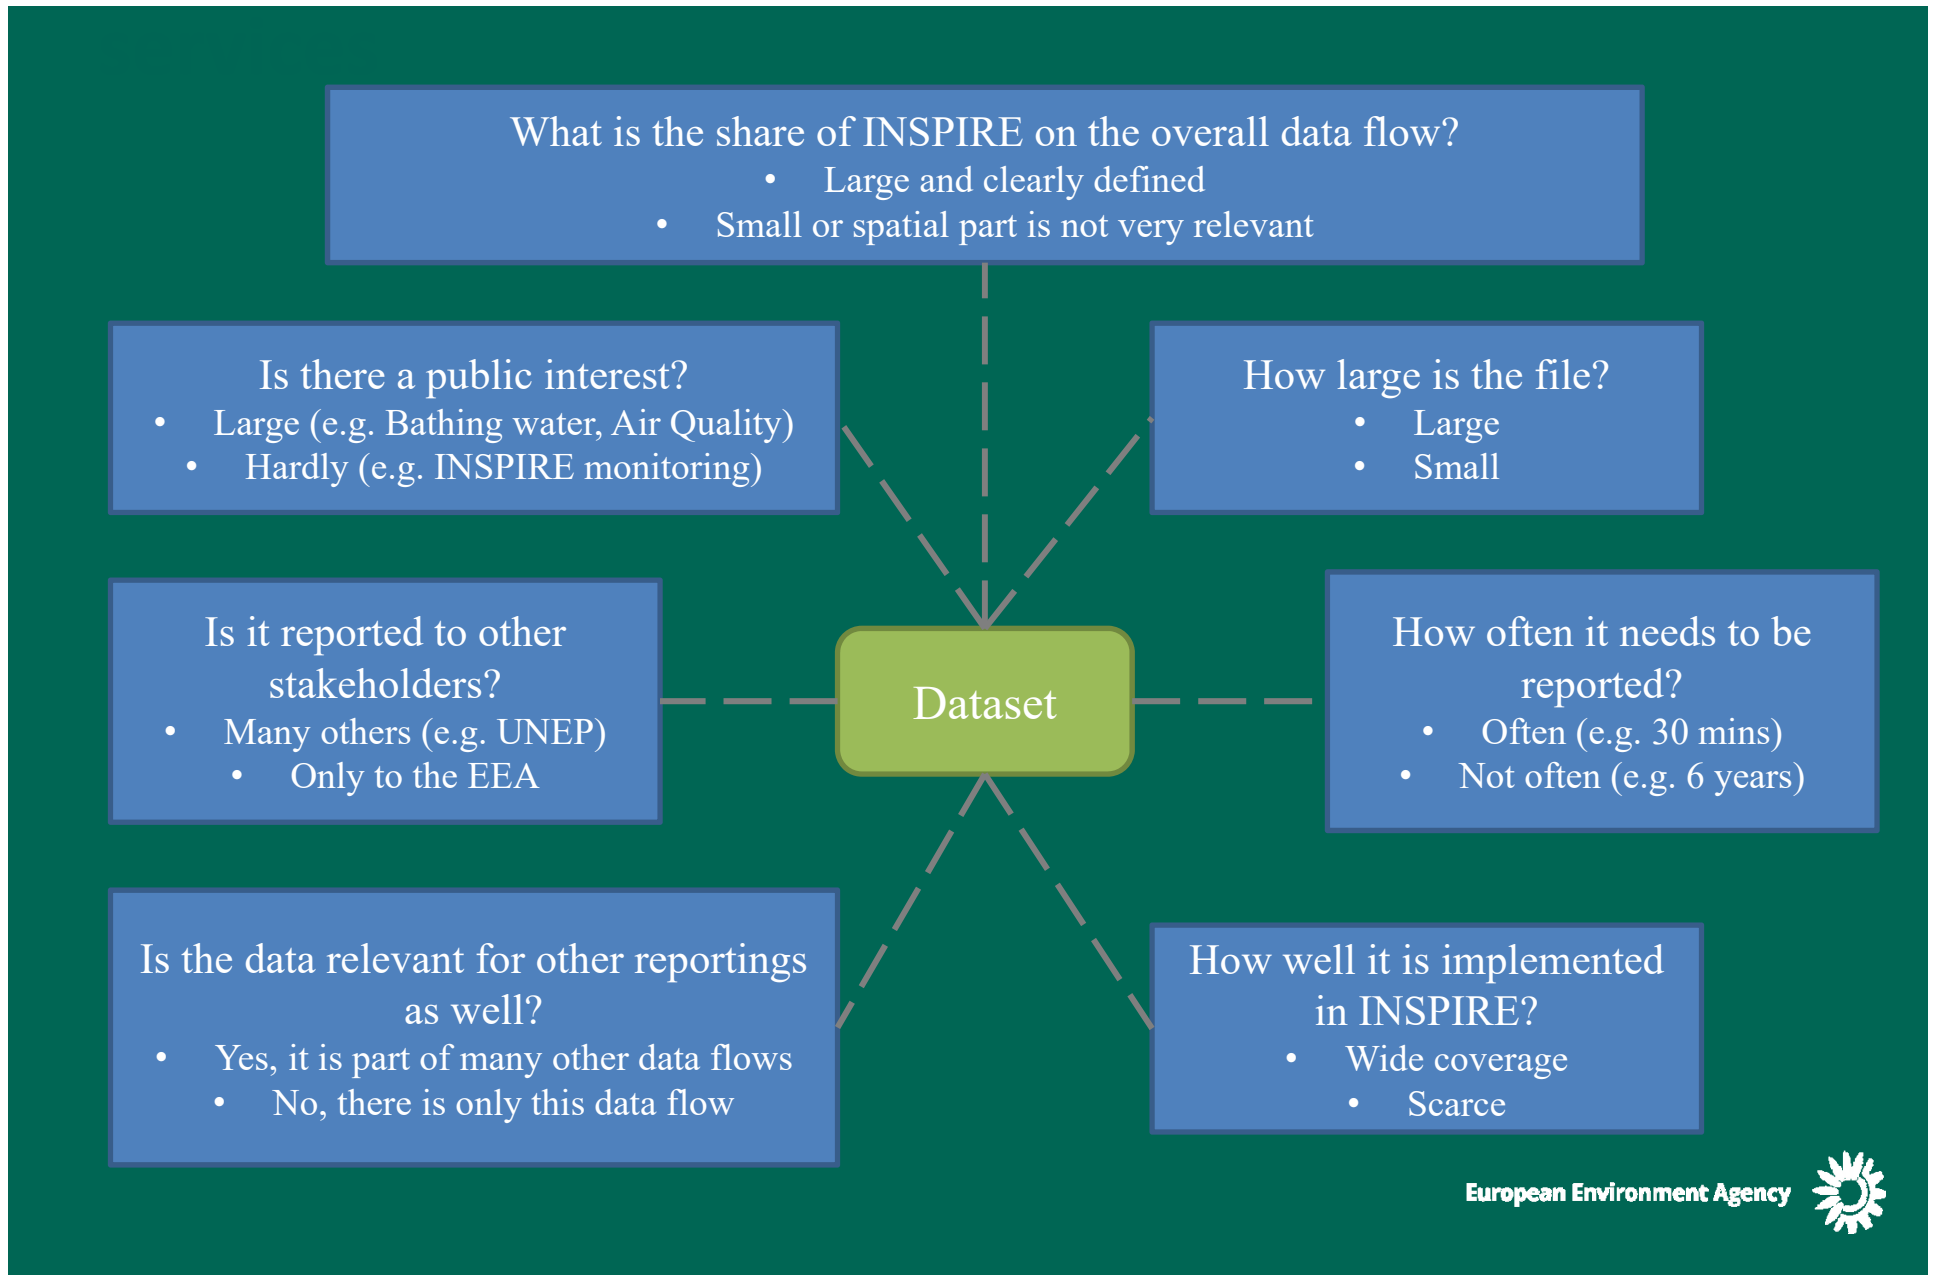

It is a changing of a operational system!

## Environmental reporting via INSPIRE download

*“Does download service reporting makes sense?”*

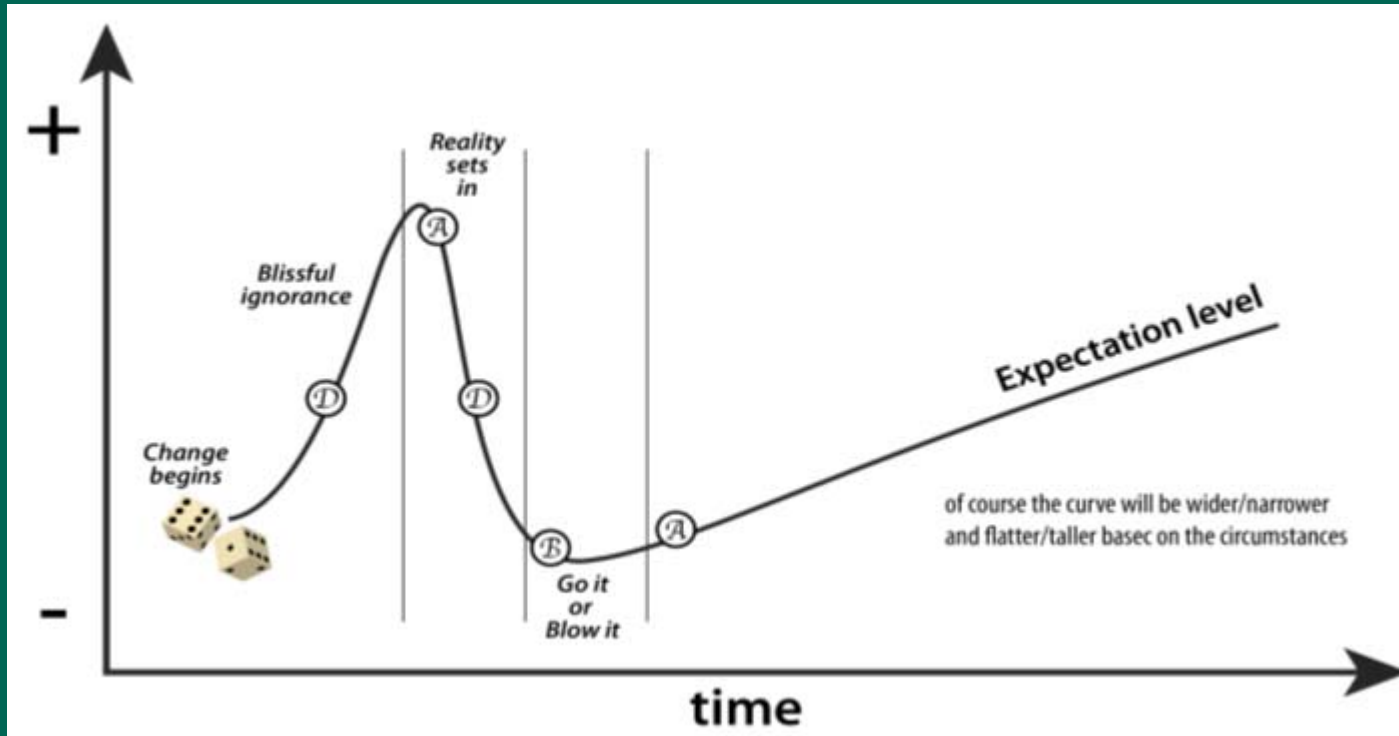

# Environmental reporting via INSPIRE download

# Environmental reporting via INSPIRE download

*“What do you expect from reporting via download service?”*

# Environmental reporting via INSPIRE download

*“What do you expect from reporting via download service?”*

- Saving costs or efficiency gains?
- Gaining political value or visibility?
- Making data more broadly available?
- New opportunities? (which ones?)

....

Let's discuss!
